SELECTED PROJECTS

(see more at https://github.com/Andrewnt219)

Tamago   June 2020

An interactive website represents Tamago sushi bar

TypeScript, React, Redux Toolkit, redux-thunk, React Router, styled-components, Firebase

Live Demo   Source Code

- Using TypeScript for better code maintenance and documentation.
- Synced local and remote cart, allowed anonymous cart.
- Authenticated with Firebase, utilizing localStorage for sessions.
- Multi-step form; Mobile first, responsive design

Animovies   May 2020

An online movie database with stunning UI

React, Redux Toolkit, redux-thunk, React Router, styled-components

Live Demo   Source Code

- Implemented color theme switching with styled-components
- Built a react slideshow for new movies; highly reusable components (e.g. category, thumbnail…)
- Integrated trailers (if any) from YouTube

Nodeflix   March – April 2020

An online store for ordering movies

Node.js, express.js, MongoDB, JWT, express-handlebars, SCSS

Live Demo   Source Code

- RESTful routes, responsive design
- Authenticating users, authorizing admins, enabling sessions
- Discrete UI for admins and users

EDUCATION

Computer Programming and Analysis   2019 - 2022

Seneca College, Toronto   GPA 4.0/4.0

WORK EXPERIENCE

Silver Server   August 2019 – Present

FAUR Event Staffing, Toronto

- Collaborating with a team of 8-15 members to serve up to 300 guests each event
- Decorating event hall, setting up tables, and serving alcohol at over 20 events
- Usually in charge of 4 – 5 tables per event, in a team of 2
- Jobsites (Eglinton West Gallery and York Mills Gallery) receive 4.6-star-rating on Google

VOLUNTEER

Web Developer   July 2020 – Present

TechServeTO, Toronto

- Developing a website using WordPress and Elementor with a team of 4 developers
- Enlarging fonts, picking high contrast colors, implementing simple UI for seniors
- Researching work arounds to stay in the free tier (e.g. custom app bar, footer components)

Moderator   March 2020 – Present

Vietnamese ICT at Seneca College, Toronto

- Pioneered in building the community, encouraging asking questions and sharing experiences
- Actively writing technical guides and reviews, sharing web development news
- Working with founders to establish bursary, mentorship, and community activities
- 80% of members subscribe to new posts, 15% of which interact with the posts

Team Leader / Content Writer   September 2019 – April 2020

Vietnamese Association at Seneca College, Toronto

- Initiated a weekly series about Seneca Student Federation upcoming events
- Led a team of 3 members to write weekly informative posts for a group of 2600 members
- Gave talks about programming at orientations
- Mentored 4 Vietnamese students, all of whom were soon attending programming courses
